TIA

PHOTOGRAPHED BY K.K.JONES

If you were lucky enough to meet Tia in the street, (sorry – can't tell you which one), you might well assume her to be wearing a no-bra bra of the finest gossamer. She must be wearing something, no one can look so up-lifted without support, surely? Nope, she wears no-bra-at-all. And in these stunning pix by the great K. K. Jones, (he of the lustful lens and flattering patter), you can see what we mean. They thrust and pert all on their own, defying gravity and description. Remarkable.

Tia herself, as we failed to mention when she starred in our much vaunted Christmas Special, is an Art Student from the London area but ... er ... studying

out of town. Can't be too specific. We have to be so careful, you see. We can't have you bursting in on her Life Class and offering your all in the cause of Art Appreciation. In this business you can look but you can't touch – all you see is all you get. Only in Tia's case, all you see is probably more than you could handle anyway ...

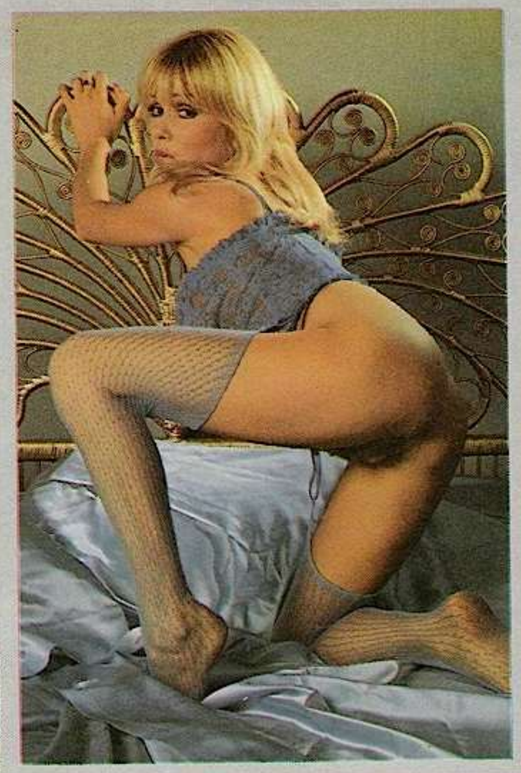
BOBBI

DON'T PANIC! It's a very nice car, we grant you, but this is not one of those magazines where we waste valuable space on automotive hardware. You want pictures of girls, right? We understand these things — your secret is safe with us. Here is Bobbi. 22 years old; 35-23-36 and a one-time beautician. Now she's one of those sexy Californian models we keep hearing about, the ones who are supposed to rape photographers. Sadly, we doubt it. It doesn't happen too often over here, that's for sure. Where there's smoke there's a fire extinguisher. But in Bobbi's case, let's pretend it's true . . .

INGRID

No prizes for guessing she's a Scandinavian, a real Svenska Flicka from Trelleborg, just along the coast from Malmo. Mind you, she hasn't been near the place for years and much prefers the bright lights of New York, Amsterdam or even London. In her time she has been many things, (all things



INGRID

to all men?), including an actress, a nightclub hostess, a dancer and, more recently, a model. And she likes men, sex and Chelsea Supporters. Well she said she liked, 'blue yobs'. But we could have misheard her. Could she have meant, 'bløw jøbs'? We'll probably never know ...

Mandy Stewart

AMATEUR MODEL OF THE MONTH

We may be a bunch of sassenachs but we ain't prejudiced. This is our first Scottish Amateur for – oh, absolutely ages. And Mandy made the trip more than worthwhile. The folks from Falkirk should be very proud of her indeed. A smashing lady, lots of fun and a very quick learner under the lights. An excellent sense of poise and a natural poser (not poseur). And not backward at coming forward with the visual goodies, once she'd discovered we don't have horns or fangs. And a special mention for her boyfriend Davie, who gave the Editor a decent game of darts without being so bad mannered as to win. Should go far. Mandy was excellent company over lunch, (and no doubt Davie would have been if he hadn't got lost on the Tube). Pity they didn't have time to stick around for a drink afterwards. Never mind. A lovely couple and it was a pleasure to meet them. Who's next? Fill out the form on page 89 ...

Ruth is a lady with presence. Surprisingly quiet in real life, she faces a camera with a serene arrogance that belies her usual shyness. She certainly looks good in this setting. They must have had real problems getting down to the naughty bits in those days, layers and layers to frustrate the layers. The knee-trembler is definitely a 20th century invention. However, gradually our cheeky serving wench disrobes for the pleasure of her master. It's called *droit de signeur*, right Squire? And it looks like lots of fun. She's got nothing to hide, her figure would knock spots off her Ladyship's. Soon she and her master will leave for a baronial bunk-up. Meanwhile, back at the banquet the wooden platters are still groaning. And so would you if Ruth was out of reach and all you had to show for it was a bunch of fruits.
